

Dear BBI Friends and Family,

We are celebrating the successful 2 DAYS at Suny Purchase in New York, and wish to extend a heartfelt thank you to the amazing faculty, the talented students, and all the parents and teachers that helped make it a memorable event!

We were touched by your heartfelt feedback and moved by the marked improvement that happened so quickly. It's what makes it worth it to us...to know that you're learning, growing and making new friends in the dance community.

Take a look at the some of the pictures and comments below.

We'll see you next year!

Sincerely,

Lisa and Heidi
